Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool Revised December 2017

Commissioned by **Department for Education**

Created by

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer This means that you shotoutse the Primary PE and Sport Premium to:

develop or add to the PE and sport activities that your school already offers

PETZI

• build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the <u>Ofsted Schools Inspection Framework</u>, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively <u>governors</u> hold them to account for this.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence

of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click <u>HERE</u>.

Park Primary School 2020-21

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

| Key achievements to date: | Areas for further improvement and baseline evidence of need: |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Use of Minikicks coaches to support teacher skills in PE Development of robust nurture schemes e.g. leadership, aspiration Well-received and well attended after school clubs Improved playground behavior at lunchtime | Further develop lunchtime activities and behavior Develop parent/child activity summer 2 Investigate development of all-weather sports pitch or daily mile track |

| Meeting national curriculum requirements for swimming and water safety | Please complete all of the below*: |
|-------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? | % |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | % |
| What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? | % |

| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? | Yes/ <mark>No</mark> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|
| | |

*Schools may wish to provide this information in April, just before the publication deadline.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

| Academic Year: 2020/21 | Total fund allocated: £19360 | Date Updated: January 2020 | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school | | | | Percentage of total allocation: % |
| School focus with clarity on intended impact on pupils: | Actions to achieve: | Funding allocated: | Evidence and impact: | Sustainability and suggested next steps: |
| | Encourages children to sit down and eat with friends before school starts. Gets children who can be late for school to be in earlier and to enjoy breakfast | | Breakfast club has a stable daily intake. Year 6 – school pays for breakfast club for all children in SATs week. | 2.5% |
| Sports equipment purchased to use on the playgrounds at break and lunchtime to encourage sporting activities e.g. netball posts, basketball nets, bats and balls | Encourages children to design/play | 1000 | Behaviour is improved when Coach Gary is acting as a good role model. The children enjoy having an adult to lead/supervise their games. | 10% |
| SEMH leader working with small groups in the environmental area gardening, creating sculptures etc to encourage hard work and teamwork | | 500 | | 5% |
| Swimming lessons at Y3/4 to ensure all children are water safe and confident | confident by the end of the program | 3025.009 (Not from Sports premium) | | 100% (not from SP) Relies on parents taking children for any required additional lessons – no cost to family |

| Key indicator 2: The profile of PE and | Percentage of total allocation: | | | |
|----------------------------------------|---------------------------------|------------|----------------------------------|------------------------------|
| | | | | % |
| School focus with clarity on | Actions to achieve: | Funding | Evidence and impact: | Sustainability and suggested |
| intended impact on pupils: | | allocated: | | next steps: |
| Celebration assemblies include the | | nil | UKS2 – achievement board – | |
| recognition of sporting awards | | | children are photographed with | |
| received by children out of school | | | their trophies. | |
| e.g. taekwondo, dance trophies. | | | | |
| Children are regularly encouraged to | | | Increasing numbers of children | |
| perform dance routines and martial | | | perform in assembly | |
| art displays in assembly | | | | |
| | | | School create a list of outside | |
| Photographs in 'Park Life' celebrate | | | clubs etc. to display on website | |
| PE lessons and activities e.g. Y6 | | | | |
| hockey | | | | |

| Key indicator 3: Increased confidence, | , KIIOWIEuge allu skilis ol all stall ill | | sport | Percentage of total allocation |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| | | | | % |
| School focus with clarity on intended i mpact on pupils : | Actions to achieve: | Funding allocated: | Evidence and impact: | Sustainability and suggested next steps: |
| upskill staff. Kixx have produced lesson plans in association with Park for PE lessons across school. Teaching staff observe lessons led by trained sports coaches to improve their subject knowledge on a rolling programme across the school year | Teachers will; use new skills in their own PE lessons Teachers will use detailed plans created by Minikicks | 2500 | Kixx will provide a detailed report for each child they work with every term to inform AfL and summative assessments. Teachers will use these reports to guide subsequent teaching. | 5% |
| All teachers to receive Kixx training via PE lessons in dance and sumpostion | | | | 15% |
| gymnastics. | | | | |
| Key indicator 4: Broader experience of towards stringer mental health throug | h and post pandemic. | | | % |
| gymnastics. Key indicator 4: Broader experience of towards stringer mental health throug School focus with clarity on intended impact on pupils: | h and post pandemic. | ered to all pupi Funding allocated: | Is. Sport to be used as a vehicle Evidence and impact: | Percentage of total allocation % Sustainability and suggested next steps: |
| Key indicator 4: Broader experience of towards stringer mental health throug School focus with clarity on intended impact on pupils: Additional achievements: FS/KS1/KS2 after school sports clubs | h and post pandemic. | Funding allocated: 2130.00 | | % Sustainability and suggested |
| Key indicator 4: Broader experience of towards stringer mental health throug School focus with clarity on intended impact on pupils: Additional achievements: FS/KS1/KS2 after school sports clubs offered every term on a rolling programme Sports coaches lead a series of nurture groups in school across the year impacting on different life skills using sports as a focus e.g. teamwork, | h and post pandemic. Actions to achieve: Registers taken to ensure safeguarding and good attendance of pupils. DC will change the clubs at least termly and ensure all children get the chance to participate. | Funding allocated: 2130.00 | Evidence and impact: Children engaging very well with all clubs and nurture groups, | % Sustainability and suggested next steps: |
| Key indicator 4: Broader experience of cowards stringer mental health throug School focus with clarity on intended mpact on pupils: Additional achievements: FS/KS1/KS2 after school sports clubs offered every term on a rolling brogramme Sports coaches lead a series of nurture groups in school across the year impacting on different life skills using sports as a focus e.g. teamwork, self-esteem, behavior management, sited and teatta departs clubs | h and post pandemic. Actions to achieve: Registers taken to ensure safeguarding and good attendance of pupils. DC will change the clubs at least termly and ensure all children get the chance to participate. | Funding allocated: 2130.00 1278.00 | Evidence and impact: Children engaging very well with all clubs and nurture groups, | % Sustainability and suggested next steps: 20% |

| GW salary to be funded through premium to allow for this. | Small groups will ensure greater impact. | Confidential | Teachers reflect on changes to classroom behavior and learning behavior as a result of the nurture offered. | |
|--------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|----------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| PE subject leader to work with Kixx to identify funding to match fund with SP/DFC to build a trim trail/MUGA on the KS2 field | | | | |
