What is this resource and how do I use it?

Revision of SATs-style questions is important but giving your child a full past paper to complete can be overwhelming. You can break your child's revision sessions into more manageable chunks with our rapid revision sheets, which feature six questions per sheet focusing on the four operations – multiplication, division, addition and subtraction.

What skills does this practise?

Arithmetic

Maths Operations

SATs Readiness

Further Activity Ideas and Suggestions

Dive deeper into arithmetic practice with this [Year 6 SATs Maths Arithmetic Week of Workouts](#) or take a wider look at maths skills with our [Practise Key Skills at Home: Autumn Term 1 Year 6 Maths booklet](#).
